Description

Chondroitin sulfate can reasonably be considered as a background first-line therapy in osteoarthritis.” Pharmaceutical-grade chondroitin sulfate is as effective as Celecoxib in alleviating pain and improving function in patients with knee OA.

MSM act as an analgesic by lessening nerve impulses that transmit pain. Studies: A 2006 pilot study of 50 men and women with knee osteoarthritis showed that MSM improved symptoms of pain and physical function without major side effects.

Glucosamine sulfate has shown to have an effect by slowing the rate of joint cartilage degeneration if taken regularly for three years.

Methylsulfonymethane (MSM)	250mg
Glucosamine	225 mg
Chondroitin sulphate	197 mg

Jointix®

60 CAPSULES – SUPPLEMENT

Proven formula
for Osteoarthritis
and Joint Support.

Description

Iron plays a key **role** in the making of red blood cells, which carry oxygen. You can get **iron** from food and from **supplements**. If you don't have enough **iron**, you may develop **anemia**, a low level of red blood cells.

Vitamin C has been shown to enhance **iron absorption**. It captures non-heme **iron** and stores it in a form that's more easily **absorbed** by your body

Folic acid & Vitamin B12

help your body **make** new cells, including new red blood cells and both are essential in the Erythrogenesis process,

Vitamin B6 helps increase the amount of oxygen carried by hemoglobin. A **vitamin B6** deficiency **can** result in a form of **anemia** that is similar to **iron deficiency anemia**.

IRON Sulfate	14 mg
Vitamin C mg	30 mg
Folic acid	0,4 mg
Vitamin B6	1,9 mg
Vitamin B12	0,0026mg

IRON-C®

30 CAPSULES – SUPPLEMENT

Optimum Care for Iron Deficiency & Anemia.

Description

Salimer® is a natural, sea water nasal spray which is drug and preservative free. It is recommended for nasal congestion, relief from dry and inflamed nasal passages due to colds, hay-fever and allergies, low humidity, minor nose bleeds, over-use of nasal decongestants and other nasal irritations. This product is suitable for babies, children and adults. Salimer® is isotonic which means it has the same concentration of salt as cells in the human body. It can be used daily to gently moisturize and clear nasal passages to relieve dry and stuffy noses.

Ingredients

Sea water from the depths of the Atlantic Ocean, purified water (concentration 0.9%)

Salimer®

ISOTONIC NASAL SPRAY - 100 ML

A natural-source
solution suitable for
Children & Babies

Description

Salimer Hypertonic® is a unique sea water base nasal spray recommended by doctors. It naturally helps relieve congestion and prevent the onset of colds and infections.

The formulation, rich in sea minerals gently washes away cold causing germs before they develop and helps drain fluids from the nasal mucosa allowing you to breathe naturally. Salimer Hypertonic spray gently helps rebalance nasal functions for your body to better fight infections and keep a healthy nose. Salimer Congestion Relief is 100% natural. It is preservative and steroid free. It is so gentle that it can be used by children from 3 years, breast-feeding women and people who cannot use medication. It has no rebound congestion effect.

Indications of use:

- Congestion
- Colds
- Rhinitis
- Sinusitis
- Rhino-pharyngitis

Ingredients

Sea water from the depths of the Atlantic Ocean, purified water (concentration 0.9%)

Salimer Hypertonic®

HAYPERTONIC NASAL SPRAY - 100 ML

Natural-source and clinically-proven nasal spray that relieves nasal and sinus congestion

Description

Vitamin D helps the body use calcium and phosphorus to build and maintain strong bones and teeth. It helps our bodies absorb calcium and phosphorus from the food that we eat. So vitamin D works hand in hand with other nutrients to help promote bone health, and is essential for calcium uptake.

Vitamin E plays an extremely important role in the growth and development of kids. Adequate amounts of this Vitamin help the body perform the following functions:

- Boost the immune system of the body.
- Keep the blood vessels wide enough for the blood to flow to different organs of the body.
- Help the cells of the body to perform vital functions.

Ingredients:

Pharmaceutical olive oil	q.s
Vitamin E	4 mg,
Cholecalciferol (vitamin D3	2000IU

Vitamin D3

30 ML – SUPPLEMENT

SUPPORT GROWTH AND DEVELOPMENT OF KIDS

MADE IN POLAND

Livexa®

60 CAPSULES - SUPPLEMENT

Description

- **Silymarin** ingredient in complex known to nourish & help repair liver - Natural capsules stimulate new liver cell production - Milk thistle may lower cholesterol while improving skin health with anti-aging properties
- **Dandelion root** used as digestive tonic or skin toner & also supports urinary tract health - Artichoke provides liver support while stimulating blood flow from the liver & reduces hangovers.
- **Choline** is a major component in liver function. People deficient in choline may develop fatty liver and liver damage. The liver is one of the first places that choline arrives once it is digested. The liver stores choline and is one of the main places choline metabolism, and methylation take place. Recent findings show that choline is a key player in the avoidance of non-alcoholic fatty liver disease (NAFLD).

Natural-source and
clinically-proven
Liver
support

Ingredients:

Silymarin (Milk thistle extract)	200 mg,
Choline	50 mg,
Dandelion extract	50 mg

All products manufactured by GMP/ISO22000 certified Manufacturing Partners in Europe.
